Emergency Contact:
Day Phone: ____________________
Night Phone: ____________________

In Case Of Emergency (such as a fire, significant toxic gas release, explosion, etc.):

Leave immediately and close the door behind you.

Pull the nearest fire alarm to alert others of the problem.

Call 911 and report the emergency if possible, without endangering life or health.

Evacuate the building by using the nearest exit. DO NOT use the elevators.

Large Chemical Spill: Isolate & Call 911

Radioactive Spill: Contact EHS immediately
